Life Itself Is But a Dream

RESOLVED
THAT DREAMS ARE OFTEN MORE REAL
THAN REALITIES. WE CAN SEE THE FACES OF
PEOPLE IN OUR DREAMS THAT WE CANNOT
RECALL IN OUR WAKING HOURS. MANY PEOPLE
ARE DREAMING WHEN THEY BELIEVE THEY ARE
AWAKE. LET NOT OUR DREAMS AFRAIGHT OUR SOULS. IT'S
ONLY INDIGESTION. EACH BUSY BRAIN CREATES ITS OWN
DREAMS. A LOW BROWED THUG WITH VICIOUS MIND CANT
BE TRANSPORTED LIKE A LOVELY SOUL-IN DREAMS—
IS THAT SO? THEN WHY DO SWEET, GOOD PEOPLE HAVE
THOSE GHASTLY NIGHTMARES? WE THINK OUR DREAM
IS TRUE. THIS WORLD IS WHAT WE THINK IT IS. OTHERS
MAY NOT SEE LIKE WE DO. EACH ONE SEES IT VERY
DIFFERENTLY. THE RICH, THE POOR, THE SICK, THE
WELL, THE OLD, THE YOUNG. IT MAY ALL BE JUST A
DREAM—I HOPE IT IS, AND THAT THE REAL WILL BE
WHEN WE AWAKE IN THAT WORLD OF SPIRIT WHERE
SHOES DONT PINCH AND TEETH DONT ACHE AND COLLAR
BUTTONS DONT HIDE AND MOTHS AND RUST, &c. &c.

WE ONLY JUST
BELIEVE WE
KNOW THINGS.
BUT IF WE
KNOW WE KNOW
I DONT
